• This workbook was designed to help everyone, not only those involved in faulty thinking errors. What are your feelings about this program? I think it is a excellent program with some interesting stories that most people can relate to. I looked forward to our group sessions and enjoyed them. It was enlightening to hear RYAN'S answers compared to my thoughts. I learned a lot.

• Did the workbook help you personally? YES If yes, how? A lot of the stuff we went through is how I feel and what I tell people myself but sometimes I don't always practice what I preach. So I need to work on that.

• Did the workbook in any part relate to your student's life? YES How? Ryan is a great person who has made some mistakes which we all have. It was good to hear him own up to his mistakes instead of trying to minimize them.

• Do you know other people who this program could help? YES How? It could help everybody. Nobody is perfect and we all need to be honest with our selves.
